CALISTHENICS SKILLS PROGRAM DECEMBER 2020

Skill Coaches and Candidates,

The COVID-19 restrictions reimposed yesterday by the SA Government impact on Indoor Sports for the next two weeks. At this point it has been decided to continue to work to the existing Skills Examination program in December 2020 for both Metro locations and Mount Gambier.

Should it become apparent at any point in the next 14 days that the restrictions will be extended, then a decision to postpone the scheduled December examinations will be made. All entry fees will be honoured until such time as candidates can be examined.

There are several options that could be implemented but I will detail the options should we need to give notification of cancellation at any point in the next 14 days.

Chris Mulraney
